PERSONAL STATEMENT

I am an active graduate with excellent communication and organizational abilities. Committed to issue solving and using substantial analytical expertise to the findings. Capable of multitasking, as well as directing group debates and tasks. I consider myself to be a hardworking, self-motivated, and trustworthy individual who works well in both a team setting and on my own initiative. Although I lack solid professional experience, my energetic character, positive approach, and eagerness to learn from others more than compensate for this.

KEY COMPETENCIES

Time management	Decision making	Strong interpersonal skills
Data-driven strategic planning	Critical thinking skills	Proactive and self-motivated
Adaptability	Excellent communication skills	Exceptional organisational skills

PROFESSIONAL EXPERIENCE

Computer Studies Tutor   Jun 2022 - Feb 2023
CSS Umuokpu, Awka, Nigeria
100 students at a time were managed to ensure effective learning and appropriate behavior. Students were encouraged to improve their academic performance, which resulted in a 70% pass rate on standardized tests. Students' weekly attendance was monitored to prevent absenteeism.

Projaro Digital Service Ltd   Jul 2019 - Sep 2019
Fullstack Web Development Bootcamp, Abuja, Nigeria
Gained hands-on experience with specific tools for front-end development, back-end development, and database development. Among the tools used were HTML, CSS, Bootstrap, JavaScript, React, mySQL, NodeJS, and MongoDB. Worked on a few small projects as tasks and used them to put what was learned into practice.

Nigerian National Petroleum Corporation , Abuja, Nigeria   Apr 2017 - Apr 2018
IT Support Trainee
Responded to service issues and requests in a timely manner. Customer issues were resolved through good communication and the provision of a step-by-step solution. Computer hardware, software, systems, networks, printers, and scanners were installed and configured. Computer systems and networks were monitored and maintained. Helped and dealt with technical support situations when they arose, assisting team members and management as needed. Worked directly with department leaders and members to gain knowledge.
